Review Order

Linda Kroetlinger (the 'Tenant') applied for an order determining that Armindo Rebolo (the 'Landlord') and/or Nicolas Amores-Hudson (the 'Purchaser') gave a notice of termination in bad faith.

This application was resolved by order LTB-T-024817-25 issued on November 27, 2025.

On December 17, 2025, the Tenant requested a review of the order.

A preliminary review of the review request was completed without a hearing.

Determinations:

1. On the basis of the submissions made in the request, I am not satisfied that there is a serious error in the order or that a serious error occurred in the proceedings or that the Tenant was not reasonably able to participate in the proceeding.
2. The Tenant's request to review alleges that the order contains serious errors.
3. The arguments put forth in support of the request review relate to the viability of the N12 notice of termination (e.g. the residential complex contained more than three residential

units; and the N12 stated that the Purchaser, the Purchaser's parent, and the Purchaser's child were moving into the rental unit, but the rental unit only had one bedroom). While these arguments would be relevant to an L2 application seeking

termination of the tenancy, they are not (or are only minimally) relevant to a T5 application seeking compensation for service of a notice of termination in bad faith for Landlord's/Purchasers own use and are not indicative of a serious error in the order.

4. There is no indication that the Member applied improper principles in assessing the evidence introduced in this case or that there was insufficient evidence before the Board to support the Member's conclusions.
5. As a result, the request to review is denied.

It is ordered that:

1. The request to review order LTB-T-024817-25 issued on November 27, 2025 is denied. The order is confirmed and remains unchanged.
